

FISCAL NOTE

SB 679 - HB 1749

February 24, 2005

SUMMARY OF BILL: Amends the retirement law by increasing the number of days from 100 to 110 within a 12-month period that a retired employee may be temporarily employed by the general assembly while continuing to draw retirement benefits.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumption:

- Any increase in additional pension liability is estimated to be not significant since only a small number of employees would be involved and the bill provides only a small increase in the number of eligible days.
